

## In Memory

In February 2011, K9 Ace, partner to Deputy Josh Stenseth, was bitten by a cat while he and Josh trained in a parking lot. On February 21, 2011, Ace was unable to ward off the aggressive infection any longer, and the difficult decision was made to put Ace down.

Thank you Ace, for your dedication to the citizens of St. Croix County!

Thanks to last year's participants! We raised over \$1700 for the K9 Fund!

## Run for a great cause!

The SCSO K9 Unit has three K9 police dogs that service all of St. Croix County. These K9's are instrumental additions to the patrol force as well as an added enhancement to public safety. The K9's are certified through the United States Police Canine Association in narcotics detection, search work, evidence recovery, agility and obedience. Local businesses have provided monetary and service donations for such items as: medical care, food supply, and kennels and training needs. The K9 Unit is funded strictly through generous donations.
